

Background Faifley Housing Association owns and manages 332 properties. We are run by local residents whose primary goal is to make Faifley a better place to live. This reaches far wider than housing related matters.

What is a Housing Association?

Faifley Housing Association operates within the Faifley area of Clydebank. Volunteers, many of them local tenants, run it. The main principle is that volunteers have the good of the community at heart and wish to help make Faifley a better place to stay.

We do not trade for profit. Any surplus income is invested in order to pay for future repairs to the properties.

A Management Committee elected from its membership runs the Association. The Management Committee makes all the important decisions about what the Association should be doing and how this should be done. Staff are employed by the Management Committee to act on these decisions and to carry out the day to day work of the Association.

How do I become a Share member?

Anyone who is over 16 and over can become a member for £1. This £1 gives you a membership for life. As a member, you can stand for election to or vote for the Management Committee. An application form is on the back of this form.

What are the benefits of becoming a shareholder?

Being a Shareholder allows you to become involved in how we run our business.

Shareholders are;

- invited to our Annual General Meeting (AGM) and receive the appropriate paperwork
- able to vote at our AGM
- able to stand for election to join our Management Committee
- able to raise any concerns about our business in a formal manner

Can my share be cancelled?

Your membership will lapse if a member misses 5 AGMs in a row without apologies or you move permanently away from the area.

You resign your membership giving seven days notice in writing to the Association.
